

Randolph County, WV

SMALL TOWN SCENIC LOOP

Mountains to Valleys

Estimated tour time: 1 hour, 50 minutes- 81.1 miles

From Elkins and take Rte. 33E towards Harman. In Harman take a left onto Rte. 32 to explore Canaan Valley in Tucker County. Continue to the small town of Davis and stretch your legs while browsing through the variety of shops and art galleries. Nearby, the Blackwater Falls State Park, home of the iconic 57-foot falls, is a must-stop. A little further down the road is the historic town of Thomas. Thomas is home to several art galleries, antique and home décor shops, a coffeehouse, and several eateries. After Thomas turn left and travel across the bridge and follow 219 back towards Parsons. The road meanders along a high ridge on Backbone Mountain providing plenty of turns and switchbacks. As you make your way off the mountain and into the valley, the town of Parsons, will greet you. At the only stoplight, make a left to follow US219 back to Elkins. This part of the run provides you with picturesque views of rolling hills and farmland, a nice and easy finish to your trip as you make it back to your home base of Elkins.
